

Poster presentation instructions

Posters will be presented during the **Poster Session on Monday, 24th February, from 17:00 to 19:00**, at the library and foyer of the main CERTH building, located outside the conference room. Posters can be put up starting from the morning of the presentation day and must be attached before the start of the session.

Poster placement will be organized according to the **thematic area** and **abstract code**, which were included in your acceptance email. Each stand will display the thematic area and the abstract code at the top to assist with proper placement.

Poster stands and the necessary equipment for hanging posters will be available on-site. Presenters are required to attend their posters during the session to engage with attendees.

Please ensure you collect your poster after the session. Any posters left hanging at the end of the conference will be collected and disposed of by the organizers.

Poster presentation format

Posters should be prepared in **A0 size** and **portrait/vertical orientation**. Templates are provided based on the thematic area of your poster:

- **ENE:** Clean Energy
- **ENV:** Climate & Environment
- **SUST:** Sustainable Industry
- **BIO:** Biotechnology/Biomedicine

Kindly ensure your poster adheres to the designated format for a smooth and organized presentation experience.
